ABOUT THE JOURNAL

"Shodh Darpan" A Multidisciplinary Peer Reviewed Research Journal provides an intellectual platform for excellence to the researchers and academicians at global level. The contents covered in the journal deal with the vital aspects of deliberations which are very significant to carry out the research operations in a manner acceptable to the society. This is an effort to collect knowledge from different disciplines and at the same time to disseminate the same back to the society for its benefit. All the research articles/papers in the journal are subject to a peer referring process and are published on the recommendations of reviewers and discretion of the editorial board.

Editorial

I am feeling immense pleasure in presenting the Vol. XIII January-June, 2022 edition of the multidisciplinary research journal "SHODH DARPAN". I express my heartiest congratulations and gratefulness to the team of this journal for thier collective efforts in right direction. The development of human civilization in the consequence of innovation and knowledge. Knowledge has grown in many directions in the last hundred years. in India, there has been a great expansion of knowledge after the mid of the last century which covers variety of researches; Science and Technology, Medicine, Management Humanities, Culture, Education, Philosophy, Linguistics, Environment, etc.

"SHODH DARPAN" focused on the wide range of issues concerning multidisciplinary environment. I am sure that the journal will serve as a common platform to evaluate and understand the interface of the different aspects of theory, tools and practice all disciplines.

"SHODH DARPAN" is a six monthly bi-lingual, Peer Reviewed Refereed Research Journal that encompasses research papers, research articles, book reviews and scientific commentaries in al disciplines. The journal is dedicated to bring out research papers/articles/reports on a wide range of facts of contemporary relevance in the broad prospects of national and international studies. Lastly, we are looking forward to learned comments, criticism and appraisal from readers end for correction in the next edition.
